| Memory foam<br>80 kg/m <sup>3</sup> | H.R.foam<br>39 kg/m <sup>3</sup> | Waterproof | Breathable | Removable | 120 kg<br>19 st  | 93/42/EEC | 3 years  |

- Innovative cut for more pressure distribution on risk areas
- Cavities under sacrum, occiput & heels areas

# STATIC MATTRESS

## VITA FORM

*Medium to high risk*

Washable, breathable and waterproof cover  
with anti-slip base

| Material                | Material              | Cover      | Cover      | Cover     | Max. user weight | CE mark   | Warranty |
|-------------------------|-----------------------|------------|------------|-----------|------------------|-----------|----------|
| Memory foam<br>80 kg/m³ | H.R. foam<br>37 kg/m³ | Waterproof | Breathable | Removable | 140 kg<br>22 st  | 93/42/EEC | 3 years  |

- Pleasant sleeping comfort
- Optimal pressure distribution
- Perfectly suitable for profiling bed
- Air channel for better air circulation

## PHARMA FORM

*Medium to high risk*

Washable, breathable and waterproof cover  
with anti-slip base

| Material                | Material              | Cover      | Cover      | Cover     | Max. user weight | CE mark   | Warranty |
|-------------------------|-----------------------|------------|------------|-----------|------------------|-----------|----------|
| Memory foam<br>80 kg/m³ | H.R. foam<br>37 kg/m³ | Waterproof | Breathable | Removable | 120 kg<br>19 st  | 93/42/EEC | 3 years  |

- Perfectly suitable for profiling bed
- Stabilizing frame for easier transfer
- Complete weight distribution on the entire surface

# STATIC MATTRESSES

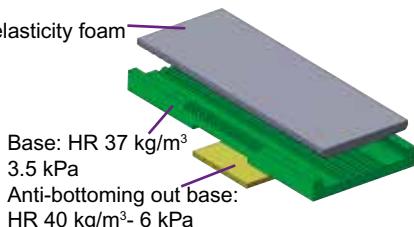

Medium to high risk

Washable, breathable and waterproof cover  
with stitched or welded cover

| Material                             | Cover      | Cover      | Cover     | Max. user weight | CE mark | Warranty |
|--------------------------------------|------------|------------|-----------|------------------|---------|----------|
| H.R. foam<br>37/40 kg/m <sup>3</sup> | Waterproof | Breathable | Removable | 140 kg<br>22 st  | CE      | 3 years  |

HR 40 kg/m<sup>3</sup>  
1.6 kPa high elasticity foam

- 2 ways mattress: can be only turned
- Reinforced upper foam frame
- Easier and more stable for transfers
- Eliminates the risk of bottoming out

## CARSOFT 4

Medium to high risk

Washable, breathable and waterproof cover

| Material                            | Material                             | Cover      | Cover      | Cover     | Max. user weight | CE mark | Warranty |
|-------------------------------------|--------------------------------------|------------|------------|-----------|------------------|---------|----------|
| Memory foam<br>50 kg/m <sup>3</sup> | H.R. foam<br>35/40 kg/m <sup>3</sup> | Waterproof | Breathable | Removable | 120 kg<br>19 st  | CE      | 5 years  |

- Made up of 3 highly elastic foam layers
- Prevents maceration thanks to better ventilation
- Provides even pressure distribution

# 4-WAY TURN MATTRESSES

*Medium to high risk*

Washable, breathable and waterproof cover  
with stitched or welded cover

Material  
H.R. foam  
37/40 kg/m<sup>3</sup>

Cover  
Waterproof

Cover

3 years

- 4 ways mattress: can be flipped and turned
- Reinforced upper foam frame
- Easier and more stable for transfers

H.R. foam 37 kg/m<sup>3</sup>  
3,5 kPa

H.R. foam 40kg/m<sup>3</sup>  
1.6 kPa high elasticity

## REVERSO MEMO

*Medium to high risk*

Washable, breathable and waterproof cover

Material  
Memory foam  
52 kg/m<sup>3</sup>

Material  
H.R. foam  
40/50/55 kg/m<sup>3</sup>

Cover  
Waterproof

Cover  
Breathable

Cover  
Removable

Max. user weight  
120 kg  
19 st

93/42/EEC

Warranty  
3 years

- 4 ways mattress: can be flipped and turned
- High elasticity foam providing better breathability
- 2 sides to adapt to individual patient sleeping patterns
- Reduces pressure points through increased contact zones

# BARIATRIC MATTRESS

## BARIA FORM

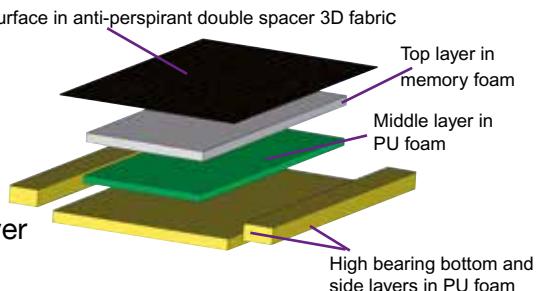

*Medium to high risk*

Washable, breathable and waterproof cover  
with anti-slip base

| Material                | Material                 | Cover      | Cover      | Cover     | Max. user weight | CE mark | Warranty |
|-------------------------|--------------------------|------------|------------|-----------|------------------|---------|----------|
| Memory foam<br>50 kg/m³ | H.R. foam<br>37/40 kg/m³ | Waterproof | Breathable | Removable | 270 kg<br>42 st  |         | 3 years  |

- High load capacity
- Efficient pressure relief
- Secure positioning
- Optimum body ventilation
- Antibacterial & bi-elastic cover

## CARGUMIXT TP

*Medium to high risk*

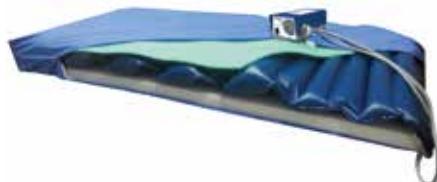

Washable, breathable and waterproof cover

| Material                | Material              | Cover      | Cover      | Cover     | Max. user weight | CE mark | Warranty |
|-------------------------|-----------------------|------------|------------|-----------|------------------|---------|----------|
| Memory foam<br>85 kg/m³ | H.R. foam<br>39 kg/m³ | Waterproof | Breathable | Removable | 150 kg<br>24 st  |         | 3 years  |

- Facilitates body immersion by maximizing contact areas
- Reducing pressure points on bony prominences
- For patients in a lying position more than 15 hours a day

# DYNAMIC MATTRESS

## PM 100A

*Low to medium risk*

Washable, breathable and waterproof cover

| Material | Material | Cover | Cover | Cover | Max. user weight | CE mark | Warranty |
|----------|----------|-------|-------|-------|------------------|---------|----------|
|          |          |       |       |       | 120 kg<br>19 st  |         |          |

- Ten 13 cm high cells in the sacrum area
- Five 10 cm high cells in the heel area
- 1cm HR 37Kg/m<sup>3</sup> foam sheet for better comfort
- For patients in a lying position over 15 hours
- Manual weight adjustment up to 120 Kg
- Visual alarm & easy to carry

## SMAT DYNADJUST

*Medium to high risk*

Washable, breathable and waterproof cover

| Material | Material | Cover | Cover | Cover | Max. user weight | CE mark | Warranty |
|----------|----------|-------|-------|-------|------------------|---------|----------|
|          |          |       |       |       | 180 kg<br>28 st  |         |          |

- 18 PU detachable 13 cm air cells
- 3 static head cells
- 10 low air loss cells on the sacrum
- 5 heel cells, of which 3 for pressure relief comfort
- For patients in a lying position over 15 hours
- Manual weight adjustment up to 180 Kg
- Dynamic, seating, static & Healthcare modes
- Audible & Visual alarm

# SIDE RAIL PADS

## UNIVERSAL SIDE RAIL PAD

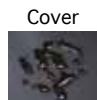

### Characteristics:

- Available in 3 lengths
- Easy to use, foldable
- Removable and wipeable cover

Material  
H.R. foam  
32 kg/m<sup>3</sup>

Cover  
Waterproof

Cover  
Breathable

Cover  
Removable

CE mark  
93/42/EEC

### Advantages:

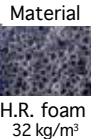

- Bring an end to bruises, wounds and entrapment risks by using it instead of cot sides
- Reduce the risk of painful fall

## EVOLUTION SWIVEL SIDE RAIL PADS

### Characteristics:

- Save time thanks to its cleaver swivel system
- Can remain on cot sides when not needed
- Wipeable

Material  
H.R. foam  
32 kg/m<sup>3</sup>

Cover  
Waterproof

Cover  
Breathable

Cover  
Removable

CE mark  
93/42/EEC

### Advantages:

- Bring an end to bruises, wounds and entrapment risks by using it instead of cot sides

## OTHERS

### SECURFORM CRASH MAT

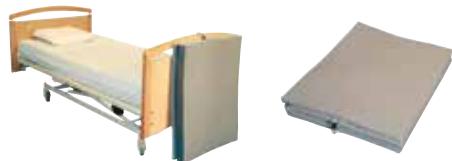

#### Characteristics:

- Non-slip cover and securing buckles for stability on the floor during the care period
- Convenient handle for easy carrying
- Folds in three for easy storage
- Removable cover for easy cleaning

| Material   | Cover   | Cover   | Cover  | CE mark   |
|--|---|---|--|---|
| <br>Memory foam<br>80 kg/m <sup>3</sup> | <br>Waterproof | <br>Breathable | <br>Removable | <br>93/42/EEC |

#### Advantages:

- Security for the patient
- Easy use
- Comfort for nursing staff

### PHARMA FORM NECK CUSHION

#### Characteristics:

- Anatomical & thermosensitive
- Removable fluffy / comfortable cover

| Material   | Cover  | CE mark   |
|--|--|---|
| <br>Memory foam<br>80 kg/m <sup>3</sup> | <br>Removable | <br>93/42/EEC |

- Anatomical, thermosensitive
- Antiallergic, antibacterial
- Easy to clean
- Strains on the neck is avoided
